

Performa 3300

Value Engineered - Great Price - Superior Performance

**Fantastic Replacement Window
Value Priced!
Rock Solid Performance
Super Energy Efficient**

1.5"

Frame Design Allows More Glass
"Bigger Views" & "Better Sightlines"

Fully Welded Sash
AND Frames with
simple boxed frame
design. Flatter design
that's simple & highly
functional

Most cheaper "discount"
windows are thin
and flimsy. Our extra
thickness with a **3"** frame
is much more reliable with
better performance.

"Not Flimsy" like many of
the cheaper discount
windows we looked at!
"Great Value" for our money
