*Our Premium Resolute 4200 features a simpler design with a few less bells & whistles, but it absolutely delivers rock solid reliability, great looks and incredible energy efficiency. The Resolute is a Texas inspired window for folks who want superior performance but don't necessarily want or need a ton of features (and it's super easy on your wallet). Our Resolute Single Hung features a non-tilting smooth frame design, armed with our most powerful sun-crushing Low-E & Argon Glass so it delivers crystal clear views with unsurpassed energy efficiency that's specifically designed for Texas.*
